

Golden age of gas? Not in my backyard!

IGRC, September 2014, Copenhagen

Hansch van der Velden,
Corporate Communications Director Gasunie,
Chair IGU Study Group on Public Acceptance.

Barendrecht on CO2 storage: *Not Under My Back Yard*

It can happen

Pour CO2 over a candle and the oxygen will disappear

It has happened

Ambulances come to the rescue after a CO2 release in Germany

We will not let it happen here

Barendrecht residents say NO to CO2 storage

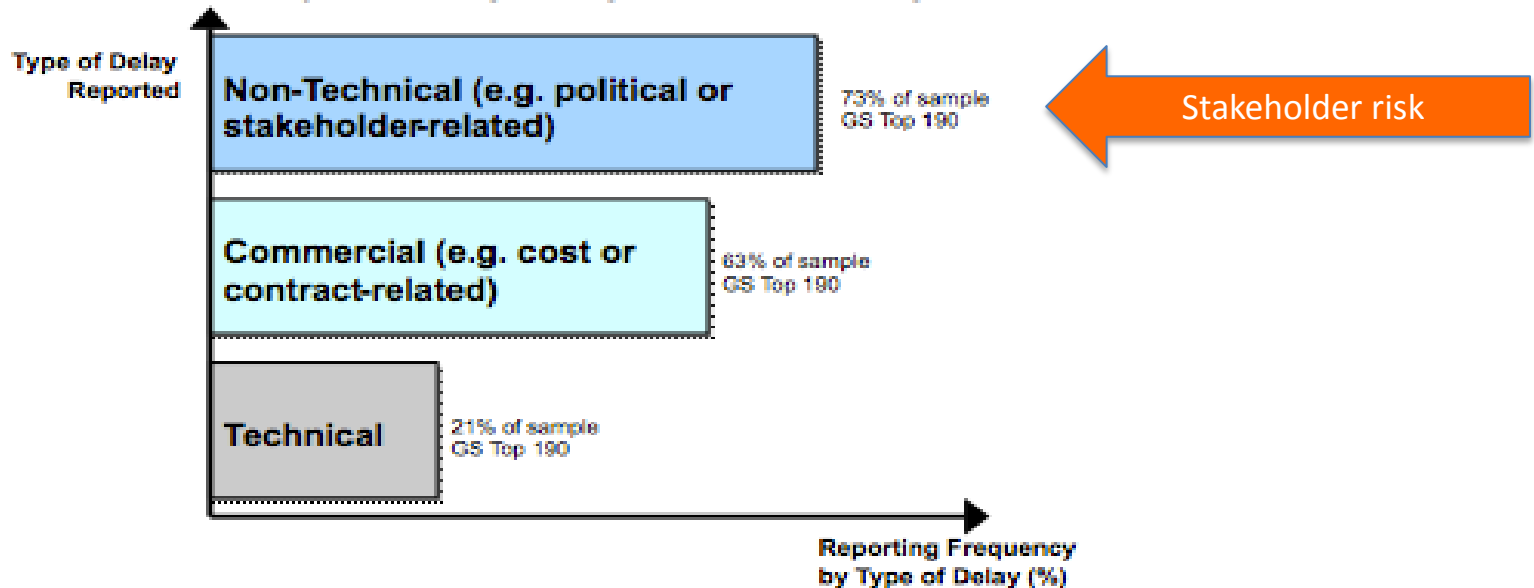

Stakeholder risk main cause of delay
