SLEEPY POST LUNCH!!

In which part of the jail are energy criminals kept?

Fuel Cell!

How did Benjamin Franklin feel when he discovered electricity?

He was Shocked!!

Why did the foolish gardener plant a light bulb?

He wanted to grow a power plant

Fun & some Pun In Gas Industry...

Pig!...

A "pig" is a scraping tool that is sent through a pipeline to clean it out. "Smart pigs" have sensors that can detect cracks or corrosion in the pipeline, helping to prevent leaks.

Christmas Tree!!...

A Christmas tree is a set of valves, pipes, and fittings used to control the flow of oil and gas as it leaves a well and enters a pipeline

Dog House!!...

A "doghouse" is a small house located on the floor of an oil or gas rig that is usually used as an office or storage area

What attracted you to the Gas Industry??

I did not really choose the oil and gas industry as much as it chose me..

Because you think God wanted you to be here :D

You lost a bet..phew..

You thought it would be easy..😊

No more job hunting!!

Health Care Benefits :P

Your girlfriend/boyfriend is in the same industry..

Cool technology, applying science and money!

Pushed by Parents-Ur Aunt's nieces' husband is doing well in this sector!!

Travel Abroad...

The journey so far.....

The journey so far.....& ahead

Thank you all...
