

# 26<sup>th</sup> World Gas Conference

1 – 5 June 2015 – Paris, France

*PGC-E*

## Walk the talk

Anton Buijs / Anja Hulshof  
GasTerra BV / Energy Delta Institute  
The Netherlands

A man is shown in profile, facing left, in a dark silhouette against a bright sunset. The sun is low on the horizon, creating a warm, golden glow that filters through scattered clouds. The background shows a calm body of water extending to the horizon. The overall mood is peaceful and reflective.

I had a wonderful time.

Laughter
