- **Now talks about further co-operation**
- **IGU co-operates with a large number of UN-organisations and other Energy organisations.**

INTERNATIONAL GAS UNION
also promotes the use of gas as

Co-sponsor and Co-organiser of:

The LNG X Conferences:

Next: LNG 15 in April 2007 in Barcelona, Spain

(LNG 16 in 2010 in Algeria)

***The only LNG Conferences organised by the Industry itself
and without trying to make a profit.***

Language

To be pragmatic and cost effective IGU has decided that..

English is the working language for the Union's activities, proceedings and publications.

Very few exceptions, where French may still be used.
