Information on Jeju Island

Jeju Island

Jeju Island is the largest volcanic island in Korea. This premier tourist destination boasts mild weather, as well as scenic beauties of beaches, waterfalls, cliffs and caves. Jeju has recently won the Global Geopark certificate, and also has been selected as the New 7 Wonders of Nature.

Proposed Venue: Shilla Hotel Jeju

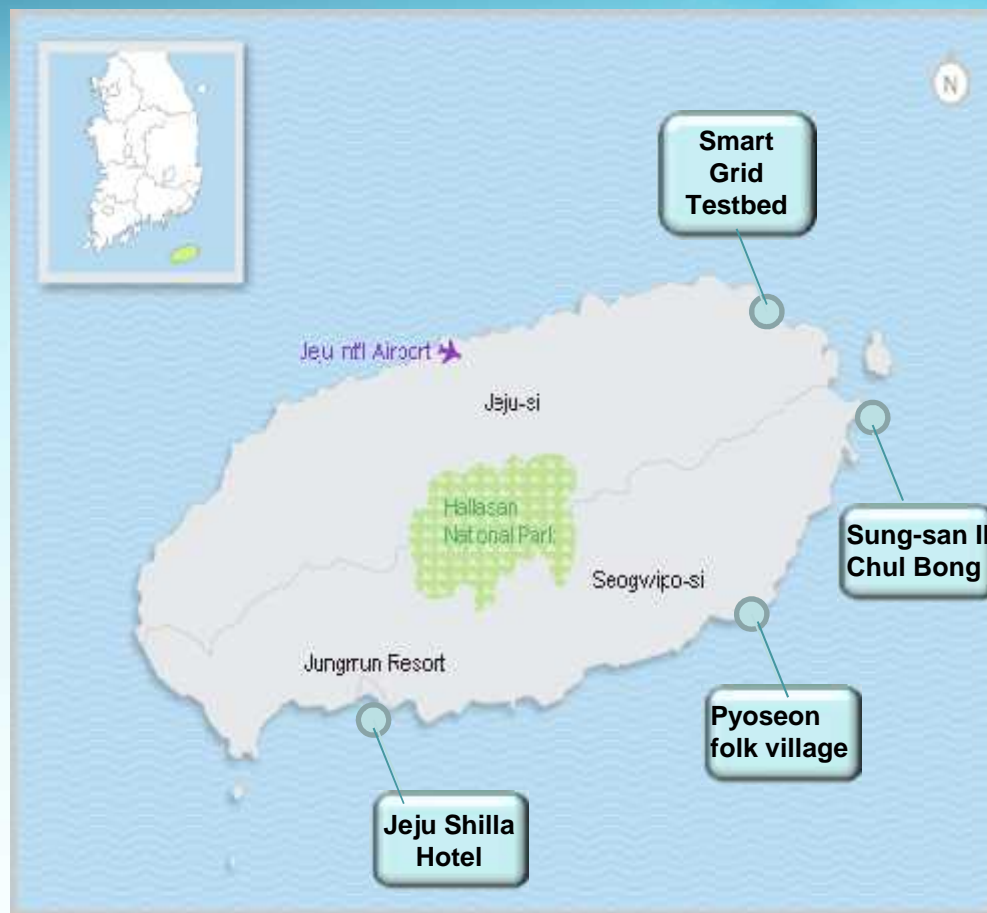

The Shilla Jeju

The Perfect Place to Get Away From It All

The Shilla Jeju, Korea's very first resort hotel, blends in with the unique environment and the striking landscape of Jeju Island. The Shilla overlooks the great Pacific Ocean, with Mt. Halla, South Korea's highest mountain, in the background.
