### DÉCOUVRIR PARIS

Située au cœur de l'Europe, la ville de Paris offre un cadre d'exception aux millions de visiteurs qui se pressent à ses portes chaque année.

Synonyme de romantisme, de glamour et de gastronomie, la capitale française continue d'exercer un pouvoir de fascination unique à travers le monde. Mais loin de se reposer sur ses lauriers, elle s'attache à préserver son charme d'antan tout en présentant une image

séduisante de la modernité. Et pas seulement sur le plan esthétique. Ces dernières années de nombreux projets ont permis à cette destination de rêve d'ajouter des chapitres inédits à un guide touristique déjà incroyablement fourni.

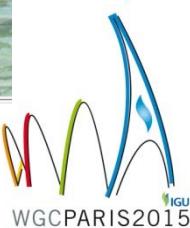

Ainsi, la liste des musées n'en finit pas de s'allonger malgré une offre déjà impressionnante. De nouveaux espaces – la Cité de la mode et du design, la Pinacothèque – sont inaugurés, ou d'autres rénovés – le musée du Luxembourg, la Grande Halle de la Villette – avec un programme d'expositions prestigieuses.

# What is the CC workgroup on the IGU web?

---

- The CC workgroup area is for the various groups to explain the scope what they are doing.
- To inform members of the group, but more important to tell other IGU members about their session works
- Public Report or Data to be published under this area is also open for the whole world to see various groups work
- It is up to the groups to decide what they want to have publish, but some basic information will always be open
- The information entered here is the long term memory of the groups
- Information issued from one triennium to a new one can be transferred

# Where to find the groups

The screenshot shows the official website of the International Gas Union (IGU). The header features the IGU logo and the text "INTERNATIONAL GAS UNION" and "UNION INTERNATIONALE DU GAZ". Below the header, there is a navigation bar with links for "Home" and "About IGU". The main content area displays a breadcrumb navigation path: "Home > About IGU > IGU Orgai". The title of the page is "The IGU Co Committee". A red circle highlights the "Committees 12-15" link under the "IGU Organisation" section.

WELCOME TO IGU WGC 2015 GROWING TOGETHER COLLABORATIVE PLATFORM

The image shows a login interface for the IGU WGC 2015 platform. On the left side, there is a vertical photograph of the Eiffel Tower against a clear blue sky. The main area contains a "Login" form. It includes fields for "Email" (containing "f.gatte@elephantatwork.com") and "Password" (containing "\*\*\*\*\*"). Both fields have red "Required" validation markers. A large red "LOGIN" button is centered below the password field. To the right of the button is a link "Forgotten your password?". At the bottom of the form is a horizontal line with three links: "Terms of Service", "Contact us", and "Instructions".
